LV/09/08/2011

Agenda

- **State of the industry**
 - Picturing present situation
- **Recent evolution in attendance**
 - A view on the demand side
- **Recent evolution in lifts**
 - A view on the supply side

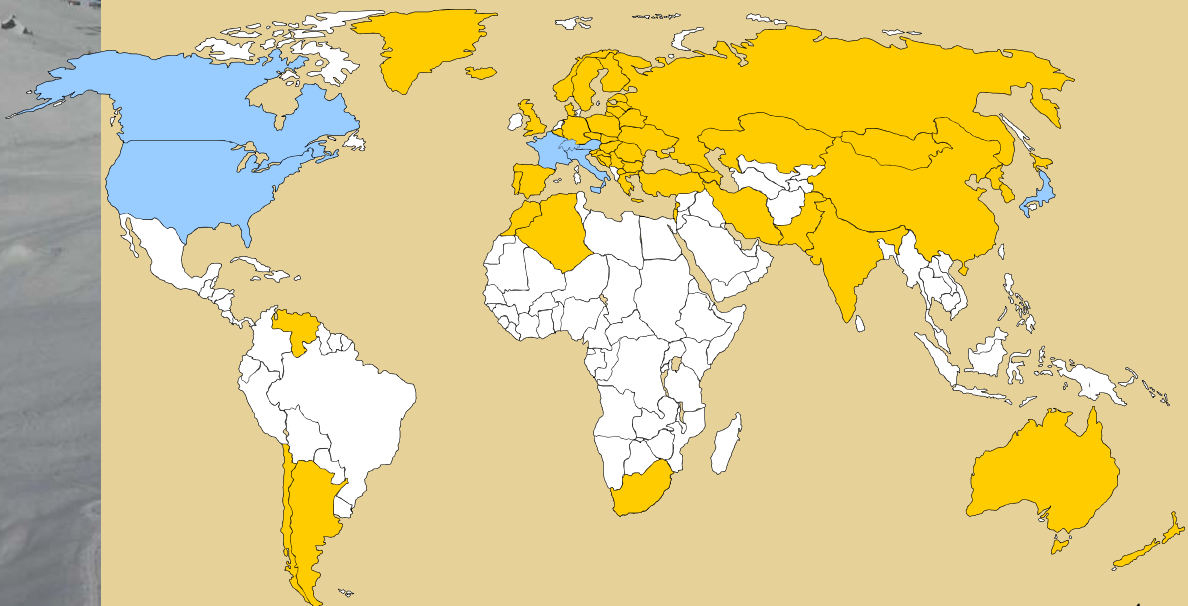

The state of the industry today

LV/09/08/2011

The world ski market

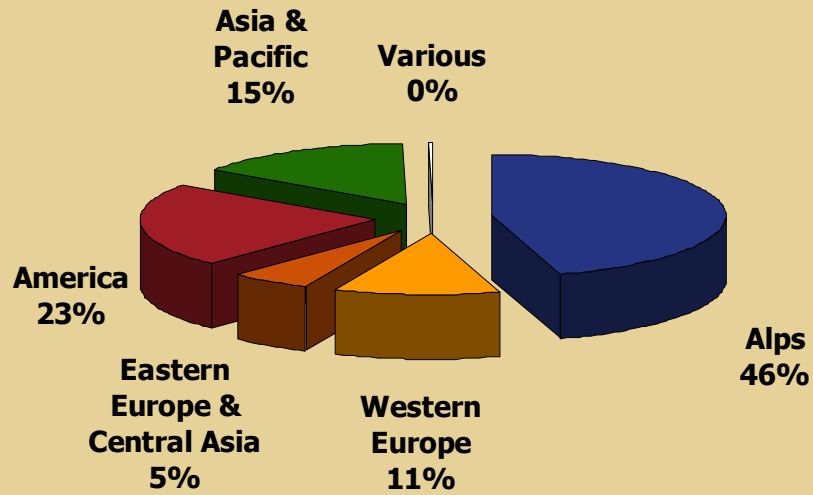

80 countries	2'000 ski resorts
6'000 places of practice	27'000 lifts

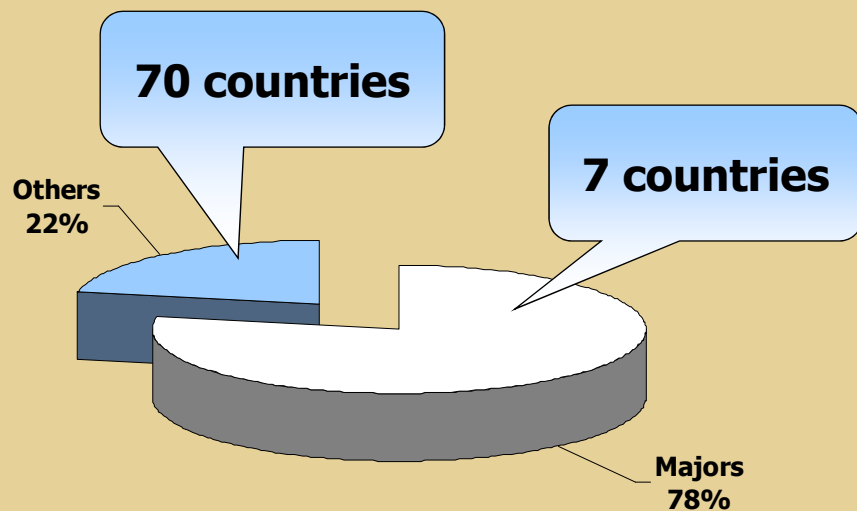

The world ski market

- Market share in the worldwide skier visits (**400 million yearly skier visits**)

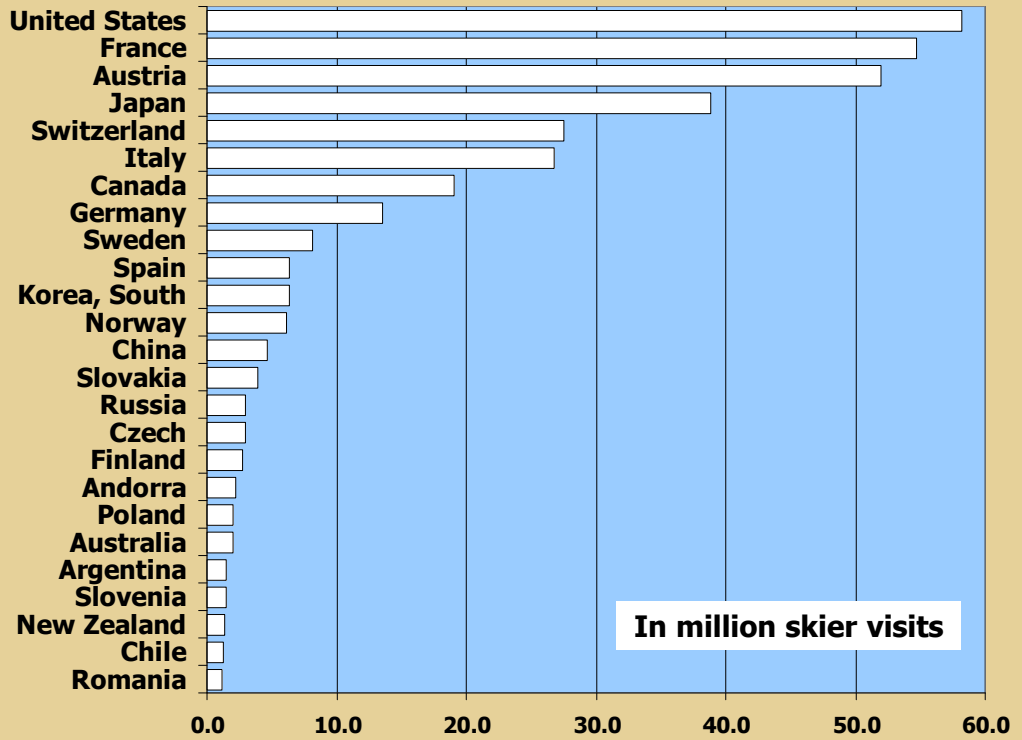

Major players (countries)

- A limited number of countries concentrate most of the attendance

Top countries in the world

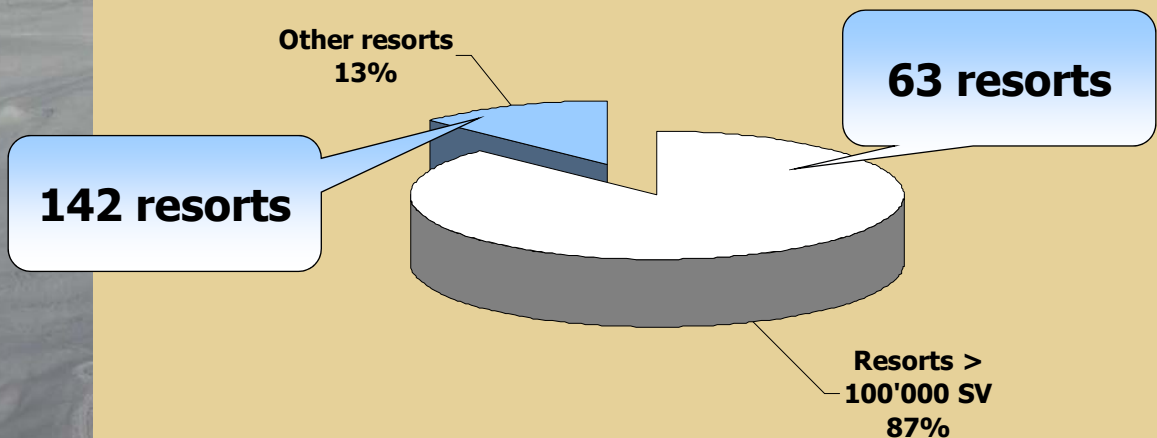

In million skier visits

Major players (resorts)

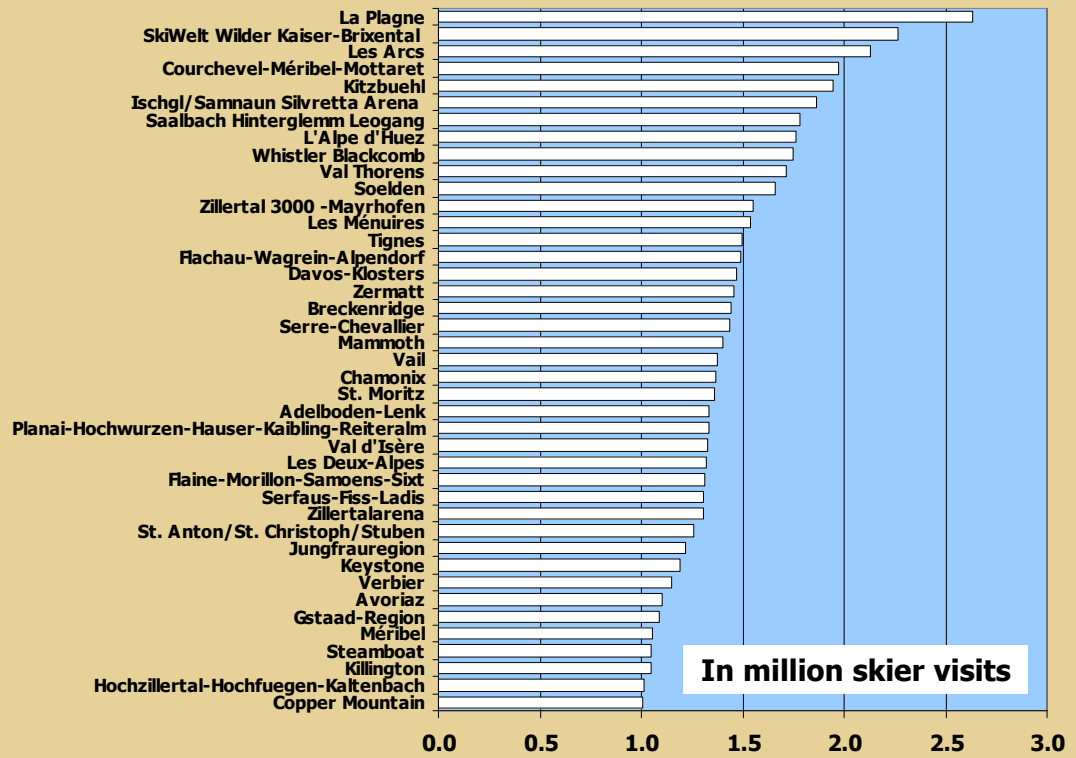

- At national level, a limited number of ski areas concentrate most of the attendance

Example : Switzerland

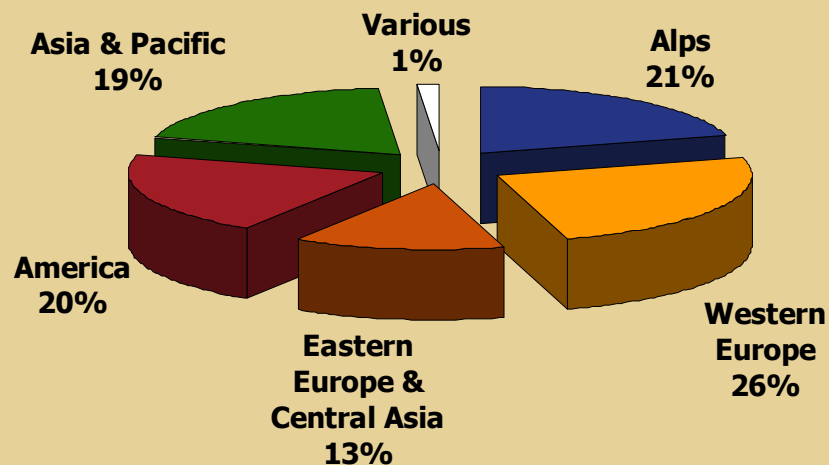

Top resorts of the world

Who are the skiers ?

- Spread of the skiers upon country of origin (**110 million skiers estimated worldwide**)

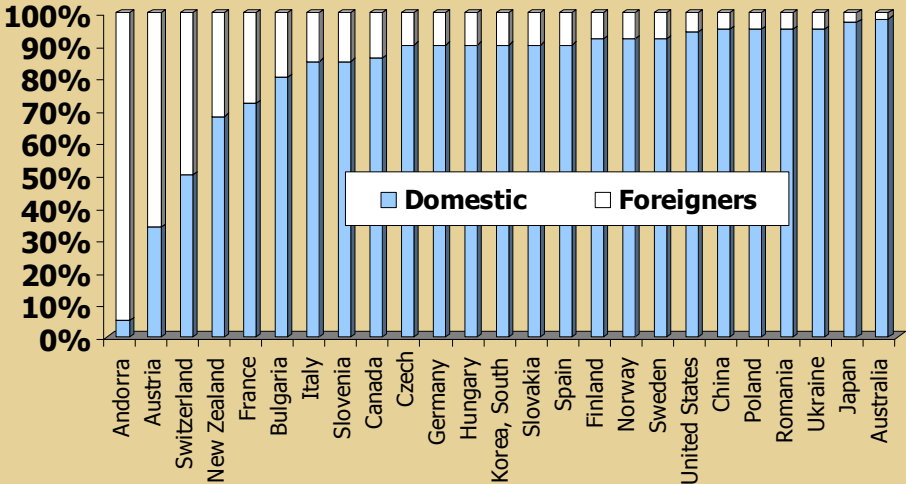

National skiers

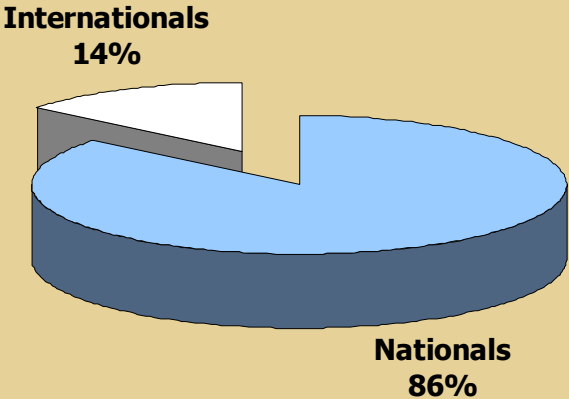

- Strength of **national customer base** of most of the big players. Foreign visitors concentrate on a few top international resorts.

Share of foreign visitors

National vs international

- Share in the **number of skiers** of foreign visitors is less than one sixth of total attendance

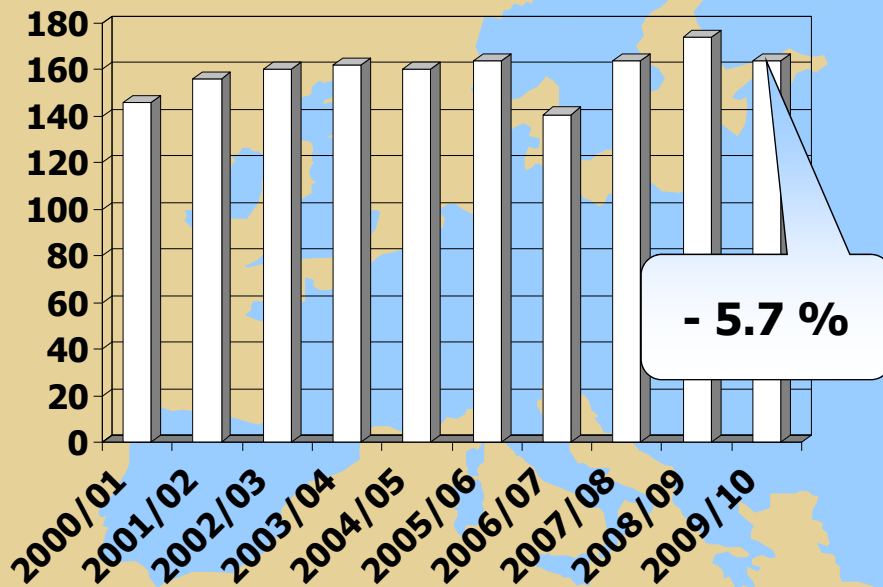

Recent evolution in attendance

A view on the demand side

LV/09/08/2011
