RESUME

The following topics were discussed:

1. **Operating personnel: Training and requirements (reports from individual countries) – important for cross-border recognition of training**
2. **Legality of special tariffs for locals (e.g., Geoblocking Regulation (EU) 2018/302)**
3. **Cross-border exchange of experiences on new regulations, implementation issues, special incidents, such as:**
   - **AI-EU Regulation (AI-Act)**
   - **Internal Market Emergency and Resilience Act (IMERA)**
   - **Incidents caused by wind and falling trees**
4. **Country reports on the past season (economy) and current events**
4. **Collection of judgments: Discussion of important legal decisions (especially supreme court decisions)**
5. **Project: Start of the development of a new glossary (translation of ropeway-specific technical terms into several languages) in cooperation with other study committees and manufacturers**
